

# Newcastle Knights Centre of Excellence

Lambton, NSW

Client: Newcastle Knights

Budget: Approx \$18 million

Role: Principal Design Consultant

Type: Training Facility

The proposal will provide a state-of-the-art training facility to serve the needs of the Newcastle Knights, along with the redevelopment of District Park to provide public sporting fields and amenities.

The proposed development includes a new training field for the Newcastle Knights along with a 2 storey building comprising a range of athlete training and rehabilitation facilities, associated administration and support services, as well as ancillary public facilities. The redevelopment of District Park is seen as a catalyst project for the Broadmeadow Sports and Entertainment Precinct in line with Venues NSW’s vision for the Precinct as the ‘first choice sporting, leisure and entertainment destination.
