

# Lexus of Newcastle

Newcastle, NSW

**Client:** McCarroll's Automotive Group

**Budget:** Approx \$3 million

**Role:** Principal Design Consultant

**Type:** Commercial Development

**Completed:** 2021

EJE was engaged to document a new facility for luxury car manufacturer Lexus on a site adjacent to one of Newcastle's busiest thoroughfares. The completed facility is reflective of the luxury for which Lexus creates in their cars, and includes showroom and feature car display areas, sales and service advisor offices and customer lounge and café areas which provide clients with a specialised buying experience. A large workshop located at the rear of the building provides servicing for customers' vehicles with modern equipment in an uncluttered environment. The new home for Lexus of Newcastle provides this luxury marque a facility which is befitting of their reputation for luxury and refinement.
