

# Crystalbrook Kingsley

Newcastle, NSW

Client: Crystalbrook Collection

Budget: Approx \$45 million

Role: Principal Design Consultant

Type: 5-Star Boutique Hotel

Completed: 2021

2022 WINNER  
NEWCASTLE ARCHITECTURE AWARDS

Award for Commercial Architecture  
Award for Interior Architecture

This design concept is strongly based on the existing structure of the iconic Newcastle City "Roundhouse" and works with the rhythm of the distinctive façade created by its existing precast concrete blades.

The Kingsley, a Crystalbrook Collection Hotel proposal transforms the former Administration building into a luxury five-star hotel including 136 rooms, lobby bar, café with outdoor terrace and a new roof top with restaurant, swimming pool and gymnasium.

Interiors designed by Suede Interior Design.
