

## Muswellbrook Hospital

Muswellbrook, NSW

**Client:** Hunter New England Local Health District

**Budget:** Approx \$35 million

**Role:** Principal Design Consultant

**Type:** Hospital Redevelopment Masterplan

Following EJE's successful planning of the new Muswellbrook Hospital Emergency Department, we worked with Hunter New England LHD to undertake concept masterplanning and 3D visualisation imagery for a staged redevelopment of the clinical services facilities for the site.

The work involved the concept planning of \$35m of new and refurbished clinical services space including new dialysis unit, 35 bed inpatient unit (including special care).
